Come Volunteer With Us!

Volunteers are the heart and soul of our agency. Without them our programs and services would not exist. New volunteers are always welcome. If you can help, please phone the office nearest you.

Deseronto: 613-396-6591

Our volunteer drivers are friendly and skilled. They provide door-to-door service, making sure our clients get safely to their destination and back home again. Mileage is reimbursed at the rates documented in this brochure.

New volunteers are required to complete an application process, including a satisfactory Vulnerable Sector Check, and a 3-Year Ontario Driver Record (Driver Abstract). Proof of valid G license and insurance is required. Our Volunteer Coordinator will guide you through this process at the initial orientation meeting.
